**Product:** Basic Bench (B02)

**Your purchase and who is C. R. Plastic Products Inc.?**

C. R. Plastic Products Inc. is an environmentally conscious Canadian company. Our "Generation Line" of recycled plastic furniture will give you years of comfort, style, and maintenance free enjoyment. You will find your furniture to be waterproof and durable. By choosing this product you are saving generations of trees and reducing the burden on our landfill sites. Thank you for purchasing from C. R. Plastic Products Inc.

**Parts:**

1. Two legs (A)
2. Bench seat (B)
3. Four gussets (C)
4. 22 - 1½" screws

**You will need**

1. Drill
2. #2 Robertson or Phillips drill bit.

**Step 1:** Take the bench seat (B) and flip it upside down. Next, take one set of legs (A) and hold it up against the outside of the bench frame. Secure the leg into place with five - 1½" screws using the holes on the inside of the frame. Repeat on the other side.

**Step 2:** Take one of the gussets and place it snugly on the inside of the bench frame and flush against the leg. Using one screw, secure the gusset to the leg, then use a second screw to secure the gusset to the seat. Repeat for all four corners of the bench.

**Step 3:** Flip the bench up right and enjoy.
